

Daily Training Rate Price List November 2023 - April 2024

At ProTec Dive Centers we believe in training rates with no hidden costs.

In our daily training rates, **we include:**

- Climate controlled multimedia classrooms
- Transport from dive center to dive site (roundtrip)
- Cenote entrance fees (up to US\$50)
- Specialty equipment and tanks (with the exception of DPV's and Rebreathers)
- Gasses (Air, Nitrox 32% and O2 for Rebreather related programs)
- Daily fresh CO2 absorbent for Rebreather related programs.

In our daily training rates, we **do not include:**

- Basic diving gear, you need to bring thermal protection, fins, mask and dive computer
- Training manuals (prices are between US\$50 and US\$150 depending on training level)
- Diver registration and certification fee of US\$55 per diver and level
- Helium based mixes (see separate price list for standard mixes we use for training)
- Boat rental from Tulum, Playa Del Carmen, Cozumel or Puerto Morelos are US\$100 per day
- Rebreathers, variety of models available at a rental fee of US\$50 per day
- DPV Scooter rental US\$70 per day.

Any diving programs below, labeled as workshops do not include a certification.
